

Hello Over The Mountain Members,

First off, thank you for the warm welcome of becoming the new chapter President.

I'm learning this on the fly and it's kind of like drinking from a firehose. If I've missed someone or added someone that no longer wishes to receive FRVA STUFF, please forward this on or let me know and please accept my apologies.

I don't plan on changing anything except hopefully seeing more return out for our rallies and more fun as the camping season progresses. After all, that's why we all joined isn't it? I can always be reached via email. Just put FRVA in the title. Text is always better for me. I can respond pretty quickly. My number is 828-283-3628

Happy Fathers Day to all of the dads out there.

We just got back yesterday from our rally in Galax VA. We had a total of 11 rigs attend. Some arrived on Monday with the remainder arriving on Tuesday in time for our potluck dinner. What a great time of fellowship with some fantastic food and deserts. Everyone left with their bellies full. Some hung around after dinner and played some very funny games.

Wednesday morning we woke up to a great breakfast of pancakes, sausage, bacon, lumberjack (hash browns, eggs, cheese...all kinds of goodness) fruit and a juice bar all cooked and provided by some of our members. (I think we need to make this a tradition...It was soo good). After that people broke off and visited sites in the surrounding area. We all gathered at 6:00 pm with our leftovers at the meeting room to talk about what we all did for the day.

Thursday during the day folks did what they wanted and at 6:00 we met for a dinner out in a town not too far away in Sparta. The food was yummy and the talk was good.

Friday some of the group started heading out. It's always sad when it's time to break up such a good time. After all that left on Friday, there were a few of us that hung around till Saturday. Friday they had a "Hillbilly Festival" in Galax. We decided to head into town and check it out. Lots of fun booths lined the downtown streets and then bluegrass music starting at 4:00. It was a lot of fun.

Saturday was goodbyes for the remaining members.

In July, Keith and Nancy and Brian and Tina are representing OTM in Sedalia MO. We wish them safe travels. We don't have a camp rally in July (boo) so our next rally is going to be August at **Dillsboro RV River Park** dillsbororvriverpark.com 325 Mockingbird Lane, Dillsboro, NC 828-507-9904

Thus far we have 12 rigs signed up to attend! That's awesome! If you can go, Please reach out to the park mentioned above ASAP. It sounds like it's going to be a lot of fun. The Jones have already said they are supplying the BBQ Pulled Pork for the potluck on Tuesday night. (I'm already hungry) If you make a reservation please reach out to me so we can track the folks attending and be sure to include you in the communication when time gets closer.

I try to stay transparent in communication. I'm attaching a survey that is being passed around to try to understand the importance of certain aspects when it comes to FRVA. Please, fill it out and get it back to me or Nancy. Even if you have to just print it out, fill it out, then snap a photo of it and send it to me or Nancy. It would really help out. If you've already filled it out, there is no need to fill it out again. Please only 1 per F#. Thanks so much.

If you can make it to any of our upcoming rallies please make your reservations ASAP and let me know. That's all I have for now.

Take care and have a great 4th of July celebrating the 250th birthday of this great nation and GET OUT THERE AND CAMP!!

Jeff Hughes
