

2012 Itasca Sunstar 30T Motor Coach = \$44,900

Make me an offer on this coach**. This Itasca Sunstar is built by Winnebago on a dependable Ford F53 Chassis with the V10 SEFI Triton engine and TorqShift 5-speed transmission. The floor plan has 3 slide-outs, a queen walk-around bed, separate large shower, cold 15,000 BTU air conditioner, hide-a-bed couch with air mattress opposite a large TV with surround sound, 2nd TV in bedroom, Ultra Leather captain's seats and couch (all three in great shape), Full Body Paint, MCD Shades, 1000-watt Inverter and so many upgrades and tons of storage.

We recently upgraded the shower head, kitchen faucet, installed LED lighting throughout including LED Headlights, replaced the heap plastic fan with a MaxxAir fan in the bathroom, installed SnapPads on the levelers and put on 6 new tires. We also added additional upholders and put insulating foil in the overhead cabinets and behind the cabinets over the cab area. The engine, brakes and generator were serviced recently as well.

Mileage approx. 90k well-maintained miles. Clean coach, Clean title in hand \$44,900 or accepting reasonable offers! Financing available.

** We are priced between Average and Low Retail according to JD Power, adjusted for mileage and options. Check it out:
