

Over the Mountain (OTM) August Rally @ Rutledge Lake Fletcher NC

What a beautiful campground and perfect Rally location OTM had August 12th to 15th, 2025!

Once everyone arrived it was time for some serious catching up together, and lots of laughter sharing folks travels and adventures since we were all together in June.

One of things OTM members like to do is eat and explore, and this rally was no different. Breakfast at Another Broken Egg, regional quilt show, exploring downtown Asheville, antiquing in Hendersonville, and touring Seirra Nevada Brewery in Mills River and taking time to enjoy their farm to table food for an early dinner!

There never seems to be enough time to catch up completely, but that is what evenings, and late-night snacks are for!

We are looking forward to September 16th -19th at Riverside in Sevierville TN. Everyone is invited, we hope to see you there!
