

A warm welcome to our new FRVA members.

As President of the Eastern Area, representing PA, MD, DE, D.C., VA, WV, SC, NC, KY, and TN, I want to personally welcome you to FRVA. I'm so glad you're here. Please feel free to reach out anytime with questions, to say hello, or to share your thoughts and ideas—I would truly enjoy hearing from you.

One of the most meaningful parts of being an FRVA member is finding a chapter where you feel at home. With hundreds of chapters to choose from, there are many opportunities to meet people who share your interests, your love of RVing, and your sense of adventure. Our chapters are full of friendly, welcoming members, and while joining one is completely optional, it can be a wonderful way to form lasting friendships. If you haven't already, I encourage you to spend a little time on the FRVA website (www.frva.com), where you'll find chapter descriptions, locations, contact information, and upcoming rally activities. Visit a few chapters, meet fellow FRVA members, and see which chapter feels like the right fit for you.

Chapters are just one of the many ways FRVA helps members connect, learn, and enjoy the RV lifestyle together. You'll also find helpful educational programs, discounts on RV lifestyle products, and RVing magazine, filled with useful articles and ideas. One event especially close to my heart is the Eastern Area Rally (GEAR), held in the fall, and for tons of FUN, FUN, & More FUN. I also look forward to the FRVA International Conventions where thousands of FRVA family members from across the U.S. and Canada come together.

I hope our paths cross at one of these events in the very near future. It would be my pleasure to meet you in person.

Welcome to the Family RV Association family!!

Nancy Pierce
